

An Invitation to People of All Faiths

All are welcome to join us for a prayer service/concert for peace.

The Wheaton Franciscans invite you to join us and others for
"United In Harmony: A Season for Peace and Non-Violence."

This special event is being held in conjunction with the Concert Across America to End Gun Violence* to bring awareness about the importance of preventing violence of all forms and in particular gun violence. Using the universal languages of silence and music, we will gather with people of all faith traditions to join our spirits for peace in our cities, in our country, and in our world. Together, we can reach deep into our Divine wisdom and build a unified energy toward a peaceful world.
